Slowly getting sponsors. Krista is hitting the pavement, trying to get as many businesses to sponsor as we can.

12. Senior Banners

12.1 Banners coordination/ hanging by late September/ first week October

Senior banners are all almost done. Media day was tough coordinating schedules. Maybe do it before school starts next year? Just varsity gets media day. One week after tryouts? Need school to be more flexible with doing it on the weekend. Cheaper to do it all in one day but tough to coordinate schedules. Need an adult to help coordinate pics and make sure all pics are taken (team photos!) Community Center in Brunswick – might be a better option to get photos taken – do it on a Sunday there. Hailey has a contact there- they won't charge for school. Ask school first if we can do weekends for winter and spring sports for pictures. If not – then we'll go community center route.

13. Senior Night

13.1 Senior Night Schedules

13.2 Decorations

13.3 Coordination with Team Moms and Dads

Senior Night Schedule:

- 9/25 – football and cheer
- 10/7 – volleyball (tentative)
- 9/22 – girls soccer
- Don't know about golf, cross country or boys soccer yet

Decorations – team moms handle that. Boys soccer moms highlighted issue with not being able to put the senior signs in the turf. Suggested buying new soccer signs. Can always put the senior letters on the fence if need be.

At the end of the day? Mid-way through 9th period. Laura Perfetti take the pics again? Sometimes issues with kids who get announced but then just don't go down to get their pics taken . Maybe we can put it on the google form about when we take the pics. One sports program per day.
